

60cm Integrated Underbench Wine Cellar

AINT119GWE

EAN 9347777007704

Features

- Electronic touch control display
- Dual Climate Zones
- Automatic Defrost
- Dual layer Low-E glass
- LED Interior Lighting with telescopic rails
- 4 Wooden slide-out shelves
- Surround air cooling system
- Reversible door with Hettich hinge
- Carbon filter
- Damping hinge with slow & soft closing
- Climate Class: T
- Refrigerant R600a
- Supplied as panel ready

Capacity

- Total Net Volume: 119 Litres
- Capacity (bottles): 39

Temperature Range

- 5°C - 20°C
- Temp difference within 1° of set temperature

Technical Information

- Embraco inverter compressor
- R600a refrigerant
- Supply Voltage, V/Hz 220/50
- Rated Current, A 0.8
- Net weight: 44Kgs
