### DISCLAIMER

Eurolinx PTY LTD, is continually seeking ways to improve the design specifications, aesthetics and production techniques of its products. As a result alterations to our products and designs take place continually. Whilst every effort is made to produce information and literature that is up to date, this brochure should not be regarded as an infallible guide to the current specifications, nor does it constitute an offer for the sale of any particular product. Product dimensions indicated in our literature is indicative only. Actual product only should be used to define dimension cut outs. Distributors, and retailers are not agents of Eurolinx and are not authorized to bind Eurolinx by any express or implied undertaking or representation.

With functionality and ease of use in mind, Artusi have created a range of concealed range hoods that are connected with the Artusi induction cooktops (models: CAID604K & CAID905K) to ensure that the range hood begins and ends operation in synchronisation meaning that cooking odours and cooking smoke are removed from the kitchen, meaning all you'll need to worry about is cooking.
